

2011 – 2012 CMYBL Division One and East Bracket Regular Season Schedule

This is a 17-page document. It contains some red text. If you do not have a color printer, alter your print settings so that it prints in black and white, otherwise it may not print correctly. Also, if you want it to print quickly, select “draft” for the print quality.

Page 1-2: This cover page; season and league information.

Page 3: Teams participating in the league.

Page 4-9: Game schedule by team.

Page 10-16: Game schedule by gym.

Page 17: Playoff format.

I have double checked this schedule but you should double check it too:

- Cross reference your schedule with your opponents schedule and make sure the listed game time and location is the same for both of you.
- Cross-reference your game schedule with the gym schedule and make sure the game is blocked into the correct slot for the gym.
- If by chance there is a typo, the “schedule by gym” section is the final authority for game time and location.
- E-mail or telephone your opponent each week to confirm the game.
- The format for the game schedule is as follows:

<p>TIME @ LOCATION OPPONENT</p>
--

WEATHER CANCELLATIONS: Due to the huge challenge in rescheduling a week’s worth of games, we will postpone for weather only under extreme circumstances. If games are cancelled, I will send you an e-mail by 10am on Sunday.

FORFEITS / NO SHOWS / SCHEDULE CHANGES: If you forfeit a game, show up at the wrong gym, or show up at the wrong time, you are responsible for paying both of the officials the \$35 or \$40 fee. If the game is an away game for your team, you may also be held responsible for paying the host location for 1.25 hours of the hourly gym usage fee they are charged. If you show up late or go to the wrong gym and do not want to accept a forfeit, you are also responsible for setting up a make-up game, securing gym time, and arranging for officials. Teams will be held responsible for their mistakes or forfeits. It is once again suggested that you call or e-mail your opponent each week to confirm the game time and location.

This is the final version of the league schedule. You may not change or move any games around without permission from me. If you have a circumstance that may warrant moving a game to a different time, you may contact me to discuss it first. I will provide you with the options (if any) but you will be responsible for making the phone calls. Keep in mind that pulling a game out of the middle of the schedule will rarely be an option if it means the contracted referees will lose a game, will need to sit around for an hour, and/or there will be a “hole” in the gym schedule as a result where no game is played for one hour. In situations such as that, be prepared to pay for both referees. If however we can work something out, you will be responsible for a \$15 rescheduling fee to cover the charges associated with changing the referee schedule.

SCORE REPORTING: Within 24-hours after the completion of your game, a representative from each team (a volunteer parent is fine) must e-mail the final score of the game. An e-mail must come from both the winning and losing team of the game and should include **THE TWO TEAMS THAT PLAYED** and **THE FINAL SCORE**.

You should send your score e-mail to the e-mail address appropriate to your division:

scoresB5@abbasketball.com
scoresB6@abbasketball.com
scoresB7@abbasketball.com
scoresB8@abbasketball.com
scoresG5@abbasketball.com
scoresG6@abbasketball.com
scoresG7@abbasketball.com
scoresG8@abbasketball.com

Please don't make me chase after you to get the score of your game. Having someone from your team report an accurate game score in a timely manner is a league rule. If you're not good at e-mail, appoint a parent to take on this responsibility for you.

STANDINGS: Updated standings will be posted on our website (www.abbasketball.com), usually within four days after your game. Please keep in mind that league standings count no more than 15 points from any single game towards your total point differential for the season (e.g. beating an opponent by 40 points will count no more than beating an opponent by 15 points). Therefore, if you can coach strategically and avoid beating a weak team by much more than 15 points, it would be appreciated. Forfeits will be scored 15-0.

DIVISION EXPLANATIONS: .

Boys 5: 12 teams in this division. You will play ten of the eleven teams in this division once for a ten game regular season.

Boys 6: 15 teams in this division divided into a eight team Division One and a seven team Division One-A bracket. You will play the other teams in your bracket once and then end the season with three games against teams in the opposing bracket for a ten game regular season. Because of the odd number of teams, one team has a bye each week.

Boys 7: 16 teams in this division divided into an eight team Division One and an eight team Division One-A bracket. You will play the other seven teams in your bracket once and then end the season with three games against teams in the opposing bracket for a ten game regular season.

Boys 8: 16 teams in this division divided into an eight team Division One and an eight team Division One-A bracket. You will play the other seven teams in your bracket once and then end the season with three games against teams in the opposing bracket for a ten game regular season.

Girls 5: 8 teams in this division. You will play each of your opponents once or twice for a ten game regular season.

Girls 6: 8 teams in this division. You will play each of your opponents once or twice for a ten game regular season.

Girls 7: 6 teams in this division. You will play each of your opponents twice for a ten game regular season.

Girls 8: 14 teams in this division divided into a seven team Division One and a seven team Division One-A bracket. You will play the other seven teams in your bracket. The "odd team" from each bracket each week plays each other so as to avoid bye weeks.

Remember ... practice good sportsmanship and have fun.

GAME SCHEDULE BY LOCATION: **RED TEXT** = NEUTRAL GAME SITE (NOT A HOME GAME FOR EITHER TEAM). A darkly shaded box indicates the gym is unavailable during that time. A lightly shaded box indicates the gym might be available but is not needed or that the small town league is using it for a game. No late games on Super Bowl Sunday (February 5).

2011 – 2012 CMYBL Division One and East Bracket Regular Season Schedule

PLAYOFF FORMAT (Saturday, 3/3/12 & Sunday, 3/4/12)

Beginning this season, playoffs will be administered differently. There will be two playoff brackets. A top bracket and a consolation bracket. Teams that finish their season with a .400 winning percentage or better (at least 4 wins) will be placed into the top playoff bracket. Teams with less than 4 wins will be placed into the bottom bracket. From there scheduling will be a traditional first versus last, etc. Because we do not know how many teams will finish with at least a .400 winning percentage, an exact format cannot be published until the end of the season.

Disclaimer:

This schedule and format are both tentative and subject to change. Games will be played on both Saturday, 3/5/11 and Sunday, 3/6/11. Saturday games will generally occur during the afternoon and evening. Sunday games will occur during our normal game slots (noon-6pm).

PLEASE MAKE SURE YOUR TEAM IS FULLY AVAILABLE ON BOTH OF THESE DAYS.
